

ICMET 2021

The 12th International Conference on
Mechanical and Electrical Technologies

April 2-4th | Tokyo, Japan

Submission Deadline
March 25, 2021

Notification Deadline
April 10, 2021

Registration Deadline
April 15, 2021

Proceedings

All Accepted full papers will be collected in conference proceedings, which are to be submitted for indexing to Ei Compendex, Scopus, IET etc. major databases.

Special Issue

The accepted and registered paper will be chosen to publish in special issue of for the peer-reviewed journal-IJMERR (International Journal of Mechanical Engineering and Robotics Research), reviewed and indexed by Scopus (since 2016), CNKI, Google Scholar, Crossref, etc.

Submission Methods

1. Please log in the Electronic Submission System and upload your paper.
<http://confsys.iconf.org/submission/icmet2021>
2. You can also submit your paper to
icmet@chairmen.org

Call For Paper

Committee

Conference Chair

Yongsheng Ma, University of Alberta, Canada

Conference Co-Chair

Masayuki Morimoto, Tokai University, Japan

Program Chairs

Songgang Qiu, West Virginia University, USA

Farouk Yalaoui, Université de Technologie de Troyes, France

Guanghsu Chang, Nanjing Institute of Technology, China

Publicity Chair

Hadi Sutopo, Kalbis Institute, Indonesia

International Technical Committee

Wang Fangzong, China Three Gorges University, China

K.A. Neusypin, Moscow Bauman State Technical University, Russia

Huamin Li, University at Buffalo, USA

Grzegorz Ilewicz, University of Bielsko-Biala, Poland

Yuan Jianning, Nanjing Institute of Technology, China

Wen Li, Michigan State University, USA

Yu Sun, University of Toronto, Canada

Wen-Fang Xie, Concordia University, Canada

Chengyu Cao, University of Connecticut, USA

Hirpa G. Lemu, University of Stavanger, Norway

Lin Li, Dalian Jiaotong University, China

Chen Zhiming, Xi'an University of Technology, China

Ming Chen, Shanghai Jiao Tong University, China

Topics

1. Mechanical and Mechatronics Engineering and Technologies
2. Mechatronics Systems
3. Automatic Control Systems
4. Electrical Engineering
5. Electronic systems
