

JUNE 24-27, 2020

2020 12TH INTERNATIONAL CONFERENCE ON MECHANICAL AND ELECTRICAL TECHNOLOGIES (ICMET 2020)

The Scotsman Hotel, United Kingdom

Publication

Accepted full papers of ICMET 2020 will be published in the peer-reviewed journal-IJMERR(International Journal of Mechanical Engineering and Robotics Research),the journal will be indexed in Scopus (since 2016), CNKI, Google Scholar, Crossref, etc..

History

ICMET 2019 | Jiangsu, China.

ICMET 2019 published by IOP conference series:

Journal of Physics (eISSN: 1742-6596, Volume 1311 (2019).

ICMET 2018 | Vancouver, Canada.

ICMET 2018 papers included in IJMERR (ISSN: 2278-0149), indexed by Scopus.

ICMET 2017 | Beijing, China.

ICMET 2017 papers included in IJCEE, Vol. 9, No.2(ISSN: 1793-8163), indexed by EI.

ICMET 2015 | Bali, Indonesia

ICMET 2015 papers included in AMM, ISBN 978-3-03835-631-8

ICMET 2010 | Nanyang Technological University, Singapore

ICMET 2010 papers included in IEEE, ISBN: 978-1-4244-8101-9, indexed by EI, Scopus

<http://www.icmet.ac.cn/2009-2018.html>

Important Dates

Submission Deadline:	February 10, 2020
Notification:	February 25, 2020
Registration Dealine:	March 10, 2020
Conference Dates:	June 24-27, 2020
Social Event:	June 27, 2020

Submission Methods

- Electronic submission system:
<http://confsys.iconf.org/submission/icmet2020-edinburgh>
- Email: icmet@academic.net

Topics

Mechanical and Mechatronics Engineering and Technologies

Mechanical and Mechatronics Engineering and Technologies;

Mechanics;

Mechatronics and robotics;

Structural analysis;

Thermodynamics and thermo-science;

Design and drafting;

Biomechanics;

Micro- and Nano-Systems Engineering and Packaging;

Systems, Design, and Complexity;

Transportation Systems;

Vibration, Acoustics and Wave Propagation;

Electrical Engineering

Integrated Circuits & Power Electronics;

Energy Harvesting & Conversion;

Optics, Nanophotonics & Quantum Tech

Nanotechnology & NEMS/MEMS;

Electronic Devices and Instrumentation;

Energy-Efficient Hardware Systems;

Control & Optimization;

Microelectronics;

Circuits and Systems;

Electrical Machines and Drive Systems;

Electric Vehicle Technologies;

High Voltage and Insulation Technologies;

Drive Systems;

Power Quality and Electromagnetic Compatibility;

Power System Reliability and Security;

Power Systems Communication;

Semiconductor Technology;

Conference Secretary

Ms. Zoey Xu
